

We work hard on the farm, in the packing facilities and in sales in order to deliver "An Exceptional Eating Experience!"

PEARS

Bulk or bags, we offer an extensive pear program that includes all of your favorite varieties!

ORGANICS

Apples, pears and cherries - We have them all! Contact your Sales OR Marketing Representative for availability.

SAGE FRUIT COMPANY

Sage Fruit Company has been delivering the highest quality apples, pears and cherries to customers for over three generations, specializing in both Organic and Conventional product.

Our growers farm several thousand acres of orchards throughout the state of Washington, as well as parts of Oregon. We take great pride in our commitment to quality, innovation, and service.

APPLES

We have a vast assortment of apple varieties available, and by using the most efficient growing methods available, we deliver quality product to our customers year-round.

CHERRIES

During the summer months, we pack both Dark Sweet & Rainier Cherries.
